Some days are blue.

On different days

I'm different too.

You'd be surprised

how many ways

I change on

Different Colored Days.

On **Bright Red Days**
how good it feels

to be a horse
and **kick my heels!**

On other days I'm other things.

Then comes a Yellow Day. And

WHEEEE!

I am a busy, buzzy bee.

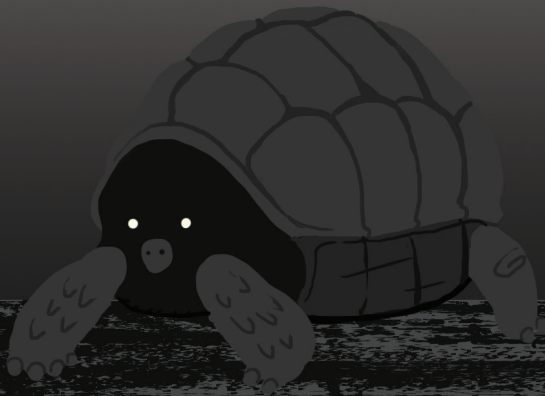

On **Bright Blue Days** I flap my wings.

Gray Day...

Everything is gray.

I watch.

But nothing moves today.

Then all of a sudden I'm a circus seal!

On my Orange Days that's how I feel.

Green Days.

Deep deep in the sea.

Cool and quiet fish.

That's me.

On **Purple Days** I'm sad.

I groan.

I drag my tail.

I walk alone.

But when my days are **Happy Pink**
it's great to jump and just not think.

Then come my **Black Days**.

Mad.

And loud.

I howl.

I growl at every cloud.

Then comes a Mixed-Up Day. And

But it all turns out all right, you see.
And I go back to being... me.

WHAM!

I don't know
WHO or **WHAT** I am!
